OUTDOOR ADVENTURES 2019 RANGE

OUTDOOR ADVENTURES RANGE

For adventurous boys & girls.

The popularity of our Peter Rabbit range of outdoor accessories grows every year! 2018 saw a huge resurgence of interest in this much loved character with the release of the Hollywood movie starring James Corden and The Royal Mint releasing limited edition coins.

First published in 1901 and never out of print since, Peter Rabbit is one of only a few brands that is known and loved by children, parents and grandparents alike - another reason the range sells so well in store.

Ensuring the continued popularity of this great childhood icon is the continued showing of the TV series (on which our range is based) on Cbeebies every weekday.

This season we have introduced Hat, Glove and Scarf sets in both Peter Rabbit and Lily Bobtail versions, plus 2 striking applique hoodies for those fashion conscious Peter Fans!

Our 2 display options ensure the range is displayed with maximum effect in your store.
